**Re: Case Number – 2:23-BK-14196-BR, Judge Barry Russel / Motion to Dismiss Chapter 7 Bankruptcy**

Dear Honorable Judge Russel.

I am writing to bring to your attention the matter of the Chapter 7 bankruptcy case associated with my name and social security number, identified as Case Number 2:23-bk-14196-BR. I am the debtor in this case, and I am writing to request the dismissal of the bankruptcy proceedings for reasons that I believe warrant immediate consideration.

It has come to my attention that the Chapter 7 bankruptcy was filed without my knowledge, authorization, or involvement. After thorough investigation, it has become clear that an unauthorized third party initiated this filing as an act of random kindness, with the purported intention of preventing elder financial exploitation and abuse of my assets while I was hospitalized during the time of filing (attached is hospital admission records) and the third part declaration as well.

While I appreciate the concern for my well-being, I must emphasize that the filing was done without my consent and has caused significant confusion and distress. I have not sought bankruptcy protection, nor do I believe that such action is warranted in my financial circumstances.

I strongly suspect that the filing was motivated by a misunderstanding or misinformation regarding my financial situation. I am not facing insurmountable financial difficulties that would necessitate bankruptcy, and I am fully capable of managing my financial affairs responsibly.

I kindly request that the court, in the interest of justice and fairness, dismiss the Chapter 7 bankruptcy proceedings associated with Case Number 2:23-bk-14196-BR. I am prepared to provide any necessary documentation, affidavits, or testimony to clarify the situation and demonstrate that this filing was undertaken without my approval.

I am hopeful that the court will promptly address this matter to rectify the unintended consequences of an unauthorized third party's actions. Your understanding and consideration in this sensitive matter are greatly appreciated.

Thank you for your attention to this urgent request. I look forward to a prompt resolution and the dismissal of the Chapter 7 bankruptcy proceedings. God Bless and Happy New year.

Sincerely,

Gloria Anita Salazar

### DECLARATION OF NAZIK MELENDONIAN

I, Nazik Meledonian, declare:

My date of birth is August 31, 1974. I am a stay home mom, married to a combat veteran, caring for six adopted children. I am not an attorney nor studied law but studied real estate law and loan origination ethics and lending practice since 2003. I worked with big mortgagee companies in state of Californian and Nevada for almost 10 years but not any more since my husband's disability occurred in 2017. I am filing this declaration in response and opposition to the Chapter 7 Trustee's Application to Employ Counsel.

I have personal knowledge of the facts I state below, and if I were to be called as a witness, I could competently testify about what I have written in this declaration.

1. I have known the Debtor, Gloria Salazar since 2006. I was also a friend of her late husband Robert Salazar, until his death in May 2020 from COVID.
2. In or about May 2023, debtor, Gloria Salazar was very ill and, in the hospital, recovering from multiple procedures on her liver and still grieving over her husband's death and she asked me to help her negotiate with the Rushmore Loan Management Modification Program on her home located at 2014 Cumberland Road, Glendora, CA.
3. Rushmore Loan Management was trying take her home away from her after the forbearance period ended in November 2022, and it was adding additional exorbitant fees, including, but not limited to attorney's fees, appraisals, revaluation fees, forced insurance policies and interest rates that were not in alignment with the proposed payment.
4. I attempted to negotiate with Rushmore Loan Management for a period of two months when it became obvious that it would not cooperate and Ms. Salazar's home was going

to be sold, even though we were in active modification, on July 7, 2023 at 10:00 a.m. via Nationwide Posting & Publication.

5. When I saw the sale date, I immediately called Rushmore Loan Management and the attorney for Rushmore Loan Management and they said the sale date would be continued from July 7, 2023.
6. On July 5, 2023, I checked the auctions sale portal and it revealed that the sale was still scheduled for July 7, 2023, despite Rushmore Loan Management representations on July 3, 2023, that the sale date would be continued. I spoke to Ms. Salazar on this day and told her I would call Rushmore Loan Management and inquire why the sale was still scheduled.
7. On July 6, 2023, I spoke with Rushmore's representatives and they advised that they could not send orders to stop the sale as they were located in India and their offices had not opened.
8. Thereafter, on July 6, 2023, without telling Ms. Salazar, I did the only thing I thought I could do to stop the sale of the home and I filed a Chapter 7 bankruptcy petition in the Central District in her name, case No. 2:23-bk-14196-BR, via PACER with an electronic signature and paid for the filing fee with my own funds. I have attached hereto, as Exhibit 1, a true and correct copy of the cashier's check that I used to pay for the Chapter 7 filing.
9. On July 14, 2023, I went to visit Ms. Salazar at the aftercare facility and I told her I filed a Chapter 7 bankruptcy case under her name to stop the sale of her home. Ms. Salazar was completely shocked and **extremely mad at me for filing this case without her knowledge or permission**. I told her I was sorry and I had made a mistake as it was obvious by her demeanor that she would not have allowed the case to be filed, had she known my plan.

10. I now realize I made a mistake when I wrongfully filed this Chapter 7 case without Ms. Salazar's permission or authority.

11. At the time I filed the Chapter 7, I did not know the nature and extent of Ms. Salazar's assets or debts.

12. I kindly ask that you forgive me as I only did what I thought I could do to help save this elderly widow and I was blinded and angry with this lender's misconduct

13. Ms. Salazar had the certificate of debtor education in a folder that she handed to me when I started helping her that she received from a seminar she took online for debt consolidation. Ms. Salazar took this course at the behest of the debt consolidation company and it was not intended for a bankruptcy filing.

14. I'm sorry that I wasted the court all this time and energy with this filing.

15. I acted blindly and without Ms. Salazar's authority and I sincerely apologize for my actions and therefore, I respectfully request that the Court dismiss this bankruptcy.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 13<sup>th</sup> day of December 2023, at Los Angeles, California

A handwritten signature in black ink, appearing to read 'Nazik Meledonian', is written over a horizontal line.
